Donation of Publicly Listed Securities to the Victoria Cool Aid Society

Thank you for your generosity and support of the Victoria Cool Aid Society. Your decision to donate publicly listed securities will have a profound impact on the lives of the individuals we serve.

Your gift allows us to continue providing essential services, including housing, health care, and community support, to some of the most vulnerable members of our community.

With your support, we can ensure that more people have access to the stability and resources they need to thrive.

To process your donation and issue a tax receipt, we kindly ask that you complete the attached form and submit it to both your broker and our team at **donate@coolaid.org**. This form provides the necessary details to facilitate the transfer of your securities and ensure your contribution is recorded accurately.

If you have any questions or need assistance at any step, please don't hesitate to contact us. We are here to make the process as smooth as possible for you.
